

IRIS HILL.

FFO: ARCTIC MONKEYS & FRANZ FERDINAND

The band create hard hitting anthems that draw influences from the mid-to-late 00's indie-rock scene, as if it was plucked straight from the MTV2 Gonzo sofa. The four-piece are not from Sheffield, Manchester or Leeds, but Netanya, Israel. Iris Hill band is made up of Nati Twina (lead vocal, rhythm guitar), Roy Assodri (lead guitar, vocals), Amit Mosberg (bass guitar, vocals) and Guy Dekel (drums, vocals).
